The Bruno Groening Circle of Friends is a "Circle for Spiritual Help in Life". It meets every three weeks for members to receive help and healings through the teachings of Bruno Groening. Each two-hour session is conducted the same way and in the same manner around the globe. Anyone can become a member; all you need is the desire to become a part of the community. Medically verifiable healings are discussed at each meeting, as well as healings that occur in this particular community.

Open to the Public.
